

**NORTHVILLE PUBLIC SCHOOLS  
Northville, Michigan**

**BOARD POLICY**

**USE OF BUILDINGS & PROPERTIES**

The primary use of Northville school facilities shall be for the instruction and educational activities of the children attending Northville Public Schools. School buildings and their facilities shall be made available to Northville School District residents and organizations, consistent with procedures of the Board of Education.

The policy of the Board will be to lease/rent available buildings, classrooms and facilities on a cost effective basis as appropriate. The school district will not enter into rental/lease agreements to provide services, programs and activities that would be in competition with the Northville Public Schools educational program. Board-directed procedures for the use of school facilities are stated in the Administrative Procedures Handbook.
