

**NORTHVILLE PUBLIC SCHOOLS  
Northville, Michigan**

**BOARD POLICY**

**SCHOOL IMPROVEMENT**

The Board is committed to the building-based school improvement process. As required by law, School Improvement Teams will be used in every school to establish School Improvement goals and implementation plans to achieve those goals. Building goals will be aligned with district goals and progress toward goals will be reported annually to the District School Improvement Team. School Improvement Team membership will represent the school community.

Administrative procedures have been established to maintain building School Improvement Teams.
