

**NORTHVILLE PUBLIC SCHOOLS  
Northville, Michigan**

**BOARD POLICY**

**FIELD TRIPS**

School-sponsored field trips which make worthy contributions to instructional and/or co-curricular programs are permitted within guidelines and procedures established by the administration. School-sponsored field trips may include trips integral to student learning or trips to co-curricular activities such as debate, forensics, band, or choir competitions.

School sponsored field trips requiring an overnight stay or travel to another state or country require specific Board approval. If any individual will receive reimbursement or compensation for participating in an overnight field trip, e.g. room and board, flight or travel, or financial remuneration of any kind, a communication shall be mailed to students and parent(s)/legal guardian(s) which will include full disclosure of such reimbursement.
