

**Northville Educational Foundation**  
 c/o Northville Public Schools – 501 W. Main Street - Northville, MI 48167

Northville has always considered excellence in education a priority. The state funding for K-12 education may jeopardize funding for programs that contribute to excellence in Northville Public Schools. The Northville Educational Foundation (NEF) is working toward preserving continued excellence in education in Northville Public Schools.

We are asking all NPS staff members to join with members of the Northville community to support the NEF at a level that is manageable for them. Everyone has different circumstances, but we are all a part of the same community.

- I would like to donate through payroll deduction to support excellence in education at NPS.
- I would like to donate by writing a check payable to the *Northville Educational Foundation*.
