### Notice of Non-Discrimination Policy

It is the policy of the Board of Education and the School District  
not to unlawfully discriminate on the basis of age, sex, race, color,  
national origin, religion, height, weight, marital status, handicap,  
or disability. Concerns or questions may be directed to the  
following individuals at (248)349-3400: Title IX, Don Thomas;  
Title VI, Mary K. Gallagher, Assistant Superintendent for  
Instruction; and Section 504, Lynne Mossoian, Director Special  
Services (*See Board Policy No. 1440.93*).

### Average Class Size

Kindergarten	18.96	students per teacher
Grades 1-5	25.11	students per teacher
Grades 6-8	27.89	students per teacher
Grades 9-12	26.36	students per teacher

### Overarching Goal: Student Learning

All students will successfully complete each grade level and/or  
course taken, demonstrating proficiency on local and state  
assessments.

In order to help achieve the overarching District Goal, best practice,  
research and the following critical questions will guide curriculum,  
assessment, and intervention in every school and school  
improvement plan:

- What is it we expect learners to learn/be able to do?
- How will we know if they've learned it?
- How will we respond if they haven't?
- How will we respond if they've already learned it?

### District Goals for 2009 - 2010

- I Further align the District Continuous Improvement Process  
with building level school improvement and the North  
Central District Accreditation process and conduct a  
successful Quality Assurance Review in December, 2009.
- II Advance the process of aligning curriculum and assessment  
with evolving state and national standards:
  - a) Continue Michigan Merit Curriculum course alignment  
with a focus on eleventh and twelfth grade courses, and  
7<sup>th</sup>-12 grade World Language courses.
  - b) Support development and implementation of pacing  
guides and common assessments in core areas.
- III Advance the process in K-12 School Improvement Plans to  
establish three layers of systematic and data-driven  
interventions for diverse student learners.
  - a) Elementary reading
  - b) Middle School reading and math
  - c) High School 9<sup>th</sup> & 10<sup>th</sup> reading and math
- IV Due to projected State reductions in school funding, examine,  
with community outreach and discussion, the delivery of  
services throughout the district.
- V Prioritize support for student learning through the continued  
study and implementation of cost saving and revenue-  
generating measures.
  - a) Advance Energy Conservation Initiative (Energy  
Education, Inc. and Novi Energy, Inc.)
  - b) Collaborate with the Northville Educational Foundation  
to support district projects.
  - c) Explore consolidation of resources with other districts and  
Wayne County Regional Educational Service Agency  
(WCRESA).
  - d) Explore potential outside sources of additional revenue,  
i.e. outside advertising; facility rental.
- VI Clarify key messages in District communications and refine  
implementation of the District Communication Plan and  
processes.
