Northville Public Schools has a transportation plan which includes “satellite stops” morning pick up and drop off for High School students.

This plan, which was in effect last year, will continue for 2011-12.

The following table details the “satellite stop” locations and the morning pick-up times. Please ensure your student arrives at their pick up location at least five minutes before the bus departure time noted below:

Location	Address	Depart Time
Amerman Elementary School	847 North Center Street, Northville, MI	6:50
Moraine Elementary School	46811 West Eight Mile Road, Northville, MI	6:50
Novi ITC Community Sports Park	51000 Eight Mile Road, Northville, MI	6:45
Ridge Wood Elementary School	49775 Six Mile Road, Northville, MI	6:55
Silver Springs Elementary School	19801 Silver Springs Drive, Northville, MI	6:50

The Northville High School afternoon buses will depart Northville High School as soon as buses are loaded (dismissal time is 2:16 p.m.) and will drop students off at the same satellite stops as noted above. **It is important to note the following:**

- Parking is already constrained at the elementary schools, therefore student cars will not be allowed to park at the elementary schools.
- The subdivision easements around Northville High School are for the use of those residents. Parking and stopping restrictions are posted and will be enforced.
