## ONLINE LEARNING

Students looking for credit recovery or seeking to advance credits will have online opportunities through Summer Connections. Online courses are provided through Michigan Virtual School (MVS). Students may choose from two options:

- MVS Flex courses are taught by Michigan certified, highly-qualified online teachers.
- MVS PLATO courses are available only for credit recovery and are self-paced, student directed courses that are monitored by a NPS teacher.

Both MVS courses will have on-site lab opportunities for students. Students may choose to work towards completion of the course from an off-site computer (home, public library, etc.). A certified English, Math, and Science teacher will be available to assist students in the lab.

### **Michigan Virtual School**

#### **Flex (Credit Advancement or Credit Recovery)**

Flex Courses may be started at anytime after the scheduled semester start date, June 7, but must be completed by the semester end date of July 30, 2010. Students who wish to start before June 28th should contact Bob Boshoven, Summer Connections Principal upon enrollment. Students may satisfy MMC graduation requirements by completing Michigan Virtual School Flex courses. Courses are taught by highly-qualified, Michigan-certified teachers. Students will receive graduation requirement credit and a letter grade for the course. In addition, students completing a Flex Course will have satisfied their online graduation requirement.

**\$320 resident/\$370 non-resident per class.**

**No refunds are given after the first week of class.**

Make checks payable to **Northville Public Schools.**

Total: \_\_\_\_\_  Check  Cash  PaySchools™

Please remember to send a hard copy of your registration form to Northville Public Schools, Summer Connection Office, 501 W. Main St., Northville, MI 48167, when using PaySchools™ or FAX a copy to 248-347-6928—Attention VICKI.

**Computer Lab Available (June 28—July 29, 2010), choose one:**

### **Michigan Virtual School**

#### **PLATO (Credit Recovery Only)**

Student Direct courses are designed for students to recover credit in a course where the student earned a D or below. Students selecting this option for credit recovery should consider the fact that the courses are student-directed, self-paced, and online with support from the mentor teacher, rather than direct teaching. (Students who benefit from more direct classroom interaction are encouraged to select a regular Summer Connections class.) **Students must successfully complete all course requirements, including all exams, to receive credit for this course.**

Each course is offered in modules. The student takes an online pre-test, and then works only on those modules that s/he does not pass. The student works progressively through those modules, with the teacher mentor available to facilitate the student's access to online learning and monitor the student's progress in the course. Students may also access the course content through the Internet using a secure passcode. The interactive, online instruction is provided completely by PLATO® web courseware supplied by the Michigan Virtual School in a web-based format.

#### **PLATO (Credit Recovery) courses**

- **Credit Recovery only**
- **Student receives a "G" grade upon successful completion of the course**
- **Students must take tests on site under the supervision of the Mentor teacher during regular Summer Connections hours**
- **DO NOT fulfill MMC Online requirements**

**\$320 resident/\$370 non-resident per class.**

**No refunds are given after the first week of class.**

Make checks payable to **Northville Public Schools.**
