Areas for ongoing improvement, as noted in each Accreditation Decision Report, will be reviewed and plans for improvement will be developed by each team to maintain high standards of quality.

Goal #2

All Extended Day Programs will provide safe, supportive and engaging environments for students enrolled in the program. Areas for ongoing, continuous improvement will be developed by each team to maintain high standards of quality.

Goal #3

Establish a program within each Middle School that is shaped by the interests of the students and provided in an environment that offers a balance of autonomy and appropriate structure, embraces the development of respectful relationships and engages students in a wide variety of creative learning-oriented skill building activities.
