2009-10 Annual Education Report

August 23, 2010

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2009-2010 educational progress for the Winchester Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Pat Messing, Principal, 248-344-8415 for assistance.

The AER is available for you to review electronically by visiting our school website at <http://www.northville.k12.mi.us/schools/elementary/winchester/winchester.asp> or you may review a printed copy available in our school office. The Northville Public Schools District Annual Report is available on the District website at <http://www.northville.k12.mi.us/district.asp>, with a copy of this report also available in our school office.

Winchester Elementary is a neighborhood school. Pupils are primarily assigned based on residency; however, Northville Public Schools has an open enrollment process available for district residents who would like to attend a school within the District that is not in their attendance area. Information about this process is available at <http://www.northville.k12.mi.us/instruction/openenrollment.asp>.

For 2009-2010, Winchester Elementary School made Adequate Yearly Progress (AYP) in English language arts and mathematics. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

We are continuously working to improve our building school improvement plan with specific goals in the areas of Reading, Writing, and Mathematics. We are currently on track to achieve these goals, which are available for perusal on the building website at: www.northville.k12.mi.us/winchester.

Our curriculum is aligned with the Michigan Department of Education Grade Level Content Standards. Each subject area committee analyzes our curriculum to make sure that it is aligned with state grade level expectations. Curriculum may be

reviewed by contacting the Northville Public Schools Office of Instruction - Curriculum Resource Center. The Michigan Department of Education (MDE) also has information about the K-8 Grade Level Content Expectations that parents may find helpful. This information is located on the MDE website at:

http://www.michigan.gov/mde/0,1607,7-140-28753_33232---,00.html

Winchester Elementary School, together with Northville Public Schools, has achieved District Accreditation from the prestigious North Central Association Commission on Accreditation and School Improvement (NCA CASI). For more information regarding this process, including a copy of the Report of the 2010 Quality Assurance Review, please visit our website at:

<http://www.northville.k12.mi.us/district/nps-accreditation.asp>.

District Accreditation supports Northville's ongoing, overarching goal for student learning and provides a nationally-recognized mark of quality for our district and all the schools within the district. Our students and families are the ultimate beneficiaries of this rigorous process. When an entire school community is aligned and focused on a shared vision for learning, students thrive.

We are proud to share that Winchester achieved "A's" in all areas on the Education Yes Report Card from the State of Michigan. The areas being reported on include indicators around student achievement, school performance, and AYP status, which result in an overall composite grade when compiled. This outstanding score is in large part due to the shared vision and high level of collaboration that exists between all stakeholders, including students, parents, staff, and the community. We are proud to report a continuous outstanding level of support from our Parent Teacher Association as well as consistent 100% attendance at parent-teacher conferences.

It is an honor to be the principal of such a fine school. We are committed to our efforts and strive for continuous improvement. Please know that I can be contacted by phone at (248) 344-8415 or by email at messinpa@northville.k12.mi.us. I would be happy to discuss any of the information contained in this report further.

Sincerely,

Pat Messing
