## 2010-11 Annual Education Report

August 23, 2011

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 education progress for Hillside Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Jim Cracraft, Principal, 248-344-8493 for assistance.

The AER is available for you to review electronically by going to <https://www.mischooldata.org> or you may review a printed copy available in our school office. The Northville Public Schools District Annual Report is available on the District website at <http://www.northville.k12.mi.us/district.asp>, with a copy of this report also available in our school office.

Students are primarily assigned to Hillside Middle School based on residency; however, Northville Public Schools has an open enrollment process available for district residents who would like to attend a school within the District that is not in their attendance area. Information about this process is available at <http://www.northville.k12.mi.us/instruction/openenrollment.asp>.

Hillside Middle School's enrollment for the 2010-2011 school year was 845 students. Hillside's staff includes Principal Jim Cracraft, Assistant Principal Heidi Capraro, 23 general education teachers, 11 elective teachers, a media Para-educator, and two guidance counselors. Hillside also is served by three special education teachers, two learning consultants, one academic resource teacher, a school psychologist, a school social worker, an ELL (English Language Learners) teacher, a speech and language teacher, and support staff for students with special needs. Approximately 95 percent of Hillside parents participated in parent-teacher conferences last year.

Hillside staff and students have been recognized at the state and national level for excellence in teacher and student achievement. Points of pride at Hillside include the annual Senior Citizens Prom, the Fine Arts Extravaganza, Challenge Day, the Animal Room Docent Program, Salmon in the Classroom, Building Bridges with Old Village School, Operation Good Cheer, Kids Against Hunger, and Spirit Days for Civic Concern. Hillside families support students and staff through a strong and active PTSA. Hillside has been chosen as a Wayne County Green School for our efforts in conservation in ecology for the past four years.

For 2010-2011, Hillside made Adequate Yearly Progress (AYP) in English language arts and mathematics. While we are pleased to have reached this important goal, we are continuously working to improve.

### **School Improvement Goals for 2011-2012**

1. Improve overall student achievement. All students will demonstrate success in the core academic subjects by demonstrating proficiency on local and state assessments. Target Area: Math
2. All students will be encouraged to become more aware of life-long wellness choices and opportunities.
3. Sustain a learning community which promotes a positive learning environment where respect and caring for others is fashionable.

The school's curriculum is aligned with the Michigan Department of Education Grade Level Content Standards and Michigan Merit Curriculum, as appropriate. Each subject area committee analyzes the curriculum to ensure that it is aligned with state grade level expectations. Curriculum may be reviewed by contacting the Northville Public Schools Office of Instruction – Curriculum Resource Center.

The Michigan Department of Education (MDE) also has information about the K-8 Grade Level Content Expectations that parents may find helpful. This information is located on the MDE website at: <http://www.michigan.gov/mde/0,1607,7-140-287533,3232---,00html>

Likewise, MDE has information about the Michigan Merit Curriculum Content Standards for high school students at <http://www.michigan.gov/mde/0,1607,7-140-38924---,00html>.

Hillside Middle School, together with Northville Public Schools, has achieved District Accreditation from the prestigious North Central Association Commission on Accreditation and School Improvement (NCA CASI). For more information regarding this process, including a copy of the Report of the 2010 Quality Assurance Review, please visit our website at : <http://www.northville.k12.mi.us/district/nps-accreditation.asp>.

District Accreditation supports Northville's ongoing, overarching goal for student learning and provides a nationally-recognized mark of quality for our district and all the schools within the district. Our students and families are the ultimate beneficiaries of the rigorous process. When an entire school community is aligned and focused on a shared vision for learning, students thrive.

Hillside Middle School is once again proud to share that our school achieved "A's" in all areas on the Education Yes Report Card from the State of Michigan. The areas being reported on include indicators around student achievement, school performance, and AYP status, which result in an overall composite grade when

compiled. This outstanding score is in great part due to the shared vision and high level of collaboration that exists among all stakeholders, including students, parents, staff, and the community.

Thank you for your interest in Hillside Middle School. We are very proud of our students' achievements, parental involvement, and dedicated staff. We appreciate your support as we endeavor to maintain Hillside Middle School as a wonderful place to teach and learn and where caring about ourselves and others is indeed, fashionable.

Sincerely,

*James Cracraft*
