

Old Village School

2010-11 Annual Education Report

August 23, 2011

Dear Parents and Community Members:

Old Village School is pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for our school. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact our office at (248) 344-8489 anytime for assistance.

The AER is available for you to review electronically by going to <https://www.mischooldata.org> or you may review a printed copy available in our school office.

Old Village School is a special education center program that services students from twelve local school districts in Western Wayne County. Our population includes students ages 3 through 15 years old, who are severely cognitively impaired, severely multiply impaired, and students dual-diagnosed with a cognitive and emotional impairment. The special education center program is funded by the Wayne County Regional Educational Service Agency and operated by Northville Public Schools.

For 2010-2011, Old Village School was established as a Shared Educational Entity with the twelve local school districts whose students we serve. Due to Old Village School's status as a Shared Educational Entity, our students' assessment scores were sent back to their resident districts, and therefore did not receive an Adequate Yearly Progress (AYP) status under the federal No Child Left Behind (NCLB) Act for the 2010-2011 school year.

We appreciate the continued support of parents, staff and our school community in this effort.

Old Village School completed all three goals this past year in our building school improvement plan. Specific goals for each disability area included, Pre-handwriting/handwriting skills in our Dual Diagnosed Program, Increasing Sensory Activities in our Severely Cognitively Impaired Program and Enhancing Visual Response Skills in our Severely Multiply Impaired Program. These goals are available for review on the building website at: www.northville.k12.mi.us/oldvillage.

The school's curriculum is aligned with the Michigan Department of Education Extended Grade Level Content Standards that was created in 2007 for students

with Cognitive Impairments. Old Village is currently in the process of aligning student Individualized Educational Plans and assessments with these standards. Curriculum may be reviewed by contacting the Old Village School main office at (248)344-8460. The Michigan Department of Education (MDE) also has information about the K-8 Grade Level Content Expectations that parents may find helpful. This information is located on the MDE website at: http://www.mich.gov/mde/0,1607,7-140-22709_28463-194379--,00.html

Old Village School, together with Northville Public Schools, has achieved District Accreditation from the prestigious North Central Association Commission on Accreditation and School Improvement (NCA CASI). For more information regarding this process, including a copy of the Report of the 2010 Quality Assurance Review, please visit our website at:

<http://www.northville.k12.mi.us/district/nps-accreditation.asp>.

District Accreditation supports Northville's ongoing, overarching goal for student learning and provides a nationally recognized mark of quality for our district and all the schools within the district. Our students and families are the ultimate beneficiaries of this rigorous process. When an entire school community is aligned and focused on a shared vision for learning, students thrive.

Old Village School students participated in the MI-Access state assessment program in 2010-11. Although, Old Village School did not receive an Adequate Yearly Progress (AYP) status under the federal No Child Left Behind (NCLB) Act, Old Village students continue to make gains in the areas of English Language Arts, Mathematics, and Science. The state does not issue report card grades for special education center programs. Each student at Old Village School has an individualized educational plan based on individual strengths and needs of the student. Old Village School meets with parents extensively at annual IEP meetings and provides quarterly progress reports throughout the school year.

It is an honor to be the principal of such a fine center program school. We are committed to our efforts and strive for continuous improvement. Please know that I can be contacted by phone at (248) 344-8460 or via email at fischear@northville.k12.mi.us. I will make myself available to further discuss any of the information contained in this report.

Respectfully,

Art Fischer, Principal

Old Village School
Northville Public Schools
