School Tour/Workshop March 9, 2017 at 6:30pm.

Northville Public Schools has a project that will eventually go before the Historic District Commission. NPS has invited the HDC to a tour/workshop of the Main Street School and Old Village School.

The tour will begin at the Main Street School building entrance closest to the small parking lot to the west of the Main Street School (off of Main Street). It will start with an external tour of both buildings and then move to the interior of Old Village School, then cross the internal walkway system to the Main Street School. Following the tour, they will re-convene in Room 302 for a debriefing session.
